Dear Friends,

What child doesn't love to **Climb. Explore. Learn. Touch?!**

Touch-A-Truck provides the unique opportunity for children to explore vehicles of all types, including public service, emergency, utility, construction, landscaping, transportation, delivery, and just plain cool - all in one place! Children will be allowed to touch their favorite vehicles, get behind the wheel, and meet the people who help build, protect, and serve our community. Crafts, games, and food trucks will also be part of the day's activities.

In addition to holding a unique outdoor event for the community, the Junior League of Corpus Christi organizes Touch-A-Truck to support the League's efforts to improve the lives of children and families in the community. Proceeds from this year's event will be used to support several community outreach programs focused on literacy, S.T.E.M., and Done in a Day projects that target a specific community need.

Touch-A-Truck provides an excellent opportunity for sponsors to showcase their brand and interact with parents, children, Junior League members, and the Corpus Christi community-at-large.

**Last year we hosted over 1500 children and 700 adults. We anticipate another great turnout this year!**

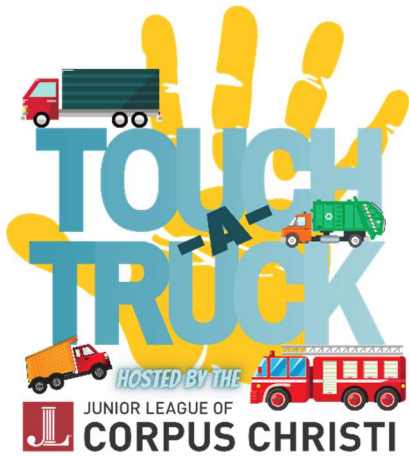

There are multiple ways for your organization to participate: event sponsorship, vehicle showcase, performance, birthday party, or in-kind support services. So, how can you get started?
